Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner called applicant's representative to suggest to amend the claims in order to put the case in condition for allowance. Applicant agreed to the following examiner's amendment (1) the subject matter of allowable dependent claims 3, 17, 23, 37, 46 & 60 has been incorporated into respective independent claims 1, 16, 21, 36, 44 & 59; and (2) claims 41 & 43 were canceled. Please also note that, further to formality, the dependencies of various dependent claims have also been amended to depend from non-canceled claims (e.g., claims 4 & 5 have been amended to depend from independent claim 1, instead of now-canceled claim 3).
